

**Tennessee Bankers Association
Washington Conference
Grand Hyatt Washington
May 9-11, 2022**

The Washington Conference is an annual event of the Tennessee Bankers Association and Government Relations Committee. During the three-day visit, attendees have briefings with bank regulators, national banking associations, and Tennessee's congressional delegation. Bankers receive up-to-the minute reports on issues at the national level and have the opportunity to express their concerns and suggestions to both regulators and legislators.

Over the years, bankers have found this visit to be one of the most informative and enjoyable meetings of the association.

While spouses may accompany you to Washington, space limitations prevent them from attending scheduled functions, including the Monday night reception/dinner and Tuesday congressional dinners.
