

# Prior Authorization Form

The Federal Election Commission requires members of the Tennessee Bankers Association (TBA) to sign this prior authorization form in order to be communicated with and solicited for BankPac, the association's Political Action Committee (PAC).

Granting prior authorization to BankPac does not preclude employees of the company from contributing to other PACs, such as those supporting state or local candidates, as well as other national and ideological PACs. This authorization does not obligate you or anyone in your company to make a contribution. Permission may be withdrawn at any time.

If your company has given prior authorization to ABA, your company does not need to provide such authorization a second time to TBA.

Name: \_\_\_\_\_ Title: \_\_\_\_\_
